- Project Title: Solar to Bullarto Public Hall
- Description: Solar Array installation and 10kW battery
- Amount funded: \$2,993
- Total Project Cost: \$5,991

Applicant: Friends of Cornish Hill

- Project Title: Renewable energy efficient small equipment purchase
- Description: Purchase of battery powered chainsaw, solar array and battery pack.
- Amount funded: \$2,000

- Total Project Cost: \$2,000

Toward Zero Grants Program 2021/22

Program Total amount funded 2021/2022: \$44,969.21

Applicant: Daylesford Museum Reserve Committee of Management

- Project Title: Daylesford Museum Goes Solar
- Description: 10.53kW of Solar PV
- Amount funded: \$11,189
- Total Project Cost: \$14,189

Applicant: Doxa Youth Foundation

- Project Title: Doxa strives toward zero-net
- Description: 11.7kW solar PV system + off-grid hardware//software
- Amount funded: \$23,890
- Total Project Cost: \$34,890

Applicant: Daylesford RSL Sub Branch Inc.

- Project Title: Daylesford RSL Toward Zero Emissions
- Description: 7.8kW of Solar PV
- Amount funded: \$9,890.21
- Total Project Cost: \$9,890.21

Toward Zero Grants Program 2020/21

Program Total amount funded 2020/2021: \$37,721

Applicant: Rotary Club of Daylesford Inc.

- Project Title: Rotary Daylesford Art Show Energy Efficient Lighting Upgrade
- Description: energy efficient lighting installation.
- Amount funded: \$11,000
- Total Project Cost: \$16,500

Applicant: Hepburn Wholefoods Collective

- Project Title: Re-usable crates for local food system
- Description: Sustainable crates for food storage

- Amount funded: \$1,800
- Total Project Cost: \$1,884

Applicant: Trentham Sustainability Group

- Project Title: Energy & Climate Resilient Trentham
- Description: Consultation for wider uptake of renewable energy in Trentham
- Amount funded: \$26,000
- Total Project Cost: \$44,000

Toward Zero Grants Program 2019/20

Program Total amount funded 2019/2020: \$39,652.59

Applicant: Daylesford Community Child Care Centre

- Project Title: Lowering our emissions at Daylesford Community Child Care Centre
- Description: Reverse Cycle air-conditioners and removal of old heater system.
- Amount funded: \$16,463.59
- Total Project Cost: \$16,463.59

Applicant: Hepburn Football Netball Club

- Project Title: Hepburn FNC Solar Project
- Description: Solar PV and battery system
- Amount funded: \$12,000
- Total Project Cost: \$35,000
